

Dear Neighbor,

On Thursday, March 29th, 2007 at 7:00 pm, I am inviting you to attend a community meeting with Legislator Edward Mangano, county senior staff and project consultant, Cameron Engineering, at Bethpage High School, Cherry Avenue, to bring you up to date on the status of the reuse of the United States Navy-owned property in Bethpage.

This property presents us with a unique opportunity. Here we have a chance to reclaim under-utilized, vacant space, increase economic growth, create jobs, and provide new amenities for the area.

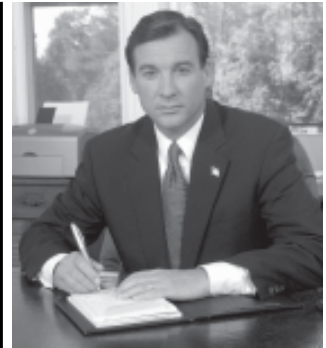

Together we can address concerns, which the residents expressed during the visioning process.

We look forward to hearing your thoughts and suggestions on March 29th.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom' or 'Suozzi', with a horizontal line above it.
